Letter No 31 D S 141/48-49 dt 17-11-48 from the chairman, city improvement Trust Board, Mysore requesting orders on the proposal of the Trust Board recommending that a Engineer of the grade of a Superintending Engineer may be nominated as a member of the Board

6) The refusal of the

chairman on the said resolution is also submitted for perusal

6) It is perhaps rightly said that the D P H who is at present an ex-officio member of the Board, has got a State-wide jurisdiction & that is probably difficult to expect him to attend the meetings of the Board regularly

7) As there is already the Health Officer of the Corporation himself as an ex-officio member of the Board (whose place is statutorily fixed) who will be in a better position to give advice to the Board on matters concerning the health of the city, the need to have another Health Officer of the status of the D P H ~~appears to cease~~ as a member of the Board appears to cease

8) The services of an officer of the P W D instead of those of the D P H in addition for reasons stated at para 7 supra, would perhaps be more useful to the Board on matters pertaining to several improvement

schemes undertaken by the Board. In this connection, it is submitted that the chief Engineer for R&B is a member of the Bangalore Improvement Trust Board and has appointment is made, having in view the expert advice the Board gets from him on matters concerning improvement schemes ~~in the city~~.

9) In the above circumstances, it is perhaps desirable to appoint the Superintending Engineer, Mysore circle, as a member of the Mysore Improvement Trust Board when it is re-constituted under the D P H, Under the provisions of the Act, the Govt can appoint either the D P H or the Superintending Engineer, Mysore, as a member of the Board

10) The proposal referred to at para 9 above is submitted for orders

11) As proposed by the Chairman of the Board, this point will, if approved, be borne in mind when reconstituting the Board in April 1945

52) I thought the reasons I gave earlier were enough to justify my choice of a Chairman I am at a loss to understand why the President of the Municipal Council should be preferred to the candidate I have proposed and what superior qualifications he may have I do not wish to make odious comparisons

53) The two conditions necessary according to three Hon Ministers - Work for Rao and Labour, for Rao & Agn and myself were

(i) the Chairman should not be the President of the Municipal Council

(ii) He must be an able and experienced non official

54) What is more, if the report of the Chairman as dated 10 12 68 to the Hon Chief Minister is correct - and there is no reason to disbelieve it, the Hon Chief Minister himself has agreed that the two offices should be separated This is just what I have proposed ~~This seems to be the reason~~ why

55) I should also refer to certain other matters which would make the choice even easier When the question of reconstitution of the Board came up before me I called for certain information and accordingly the General Secy wrote to the Chairman Sri Venkataramaiah that he was desired to request him to intimate how long Harijans & Muslims were without representation on the Board This was a simple normal question to ask He could have sent a straight answer to the question But instead he reminds me first about the provisions of the C R I Act which are obvious and adds his own commentary and sermon He says that under S 4 of the Act 3 Muslims are to be appointed

by Govt on the recommendation of the Chairman which is absurd, because the section never says that it must be on such a recommendation. There used to be official chairmen formerly who were consulted but that could never mean that Govt were bound to accept them. Then he makes a gratuitous remark that the selection of trustees is not made on any communal basis.

56) It is extremely regrettable that Sri T Venkatramaiah has adopted such a tone & attitude and chosen to ignore the directions of Govt to furnish information on the points sought. This is a matter which may also merit separate notice.

57) I did not want to point all these things in writing when I minuted earlier and only orally pointed out to the Hon Chief Minister I need hardly say that the affront is to the whole Govt. This by itself ought to disqualify him for the responsible office we are trying to fill.

58) Apart from all this I must say that I took an overall perusal of such offices in the State before coming to a decision.

59) Merit undoubtedly is a consideration and judged from that there could be no two opinions as to who is best equipped for the job. It must also be the concern of the Govt that no section of the people feels that it is neglected because it is a minority.

60) I got the actual list of Residents of the

City Municipalities & Dist Bds and the Chairmen of the Dist Rural Development Boards It is found that among the Members of the City Municipalities 2 are Vokkaligas and the there is a Lingayat. Among the presidents of the Dist Bds 4 are Vokkaligas, 2 Lingayats and 1 Kuruba, 1 Brahmin Belgaum Sangolli & the Chairmen of the Dist Dev Bds, 5 are Vokkaligas, 3 Lingayats 1 Brahmin & 1 Kamataka If we add the Bangalore City Improvement Bd there will be out of a total of 23 non official heads 12 Vokkaligas 6 Lingayats 3 Brahmins Belgaum Sangolli and 1 Kamataka

Sir Gopalkrishna Setty will be the only Vaisya in an Office of the kind It is only fair and Equitable that when he is otherwise fully qualified he must be appointed

6) I should add in the end that my selection made with a view to all these considerations should be allowed to go through There has been of late any number of nominations made for various honorary posts without any changes and that the one of mine should receive a different treatment is naturally a thing which I cannot reconcile myself to

COUNCIL NOTE

SUBJECT: Reconstitution of the Mysore City Improvement Trust Board and appointment of the Chairman.

Proposals have been received from the Chairman, City Improvement Trust Board, Mysore, for the re-constitution of the City Improvement Trust Board, Mysore, with effect from 13th April 1949

In accordance with the provisions of the Mysore City Improvement Act, the Board shall consist of nine members as noted below

1) The Chairman to be appointed by Government and to hold office during the pleasure of Government
2) The Vice-President of the Mysore City Municipality
3) The Health Officer of the Mysore City Municipality
4) The Director of Public Health or the Superintending Engineer, Mysore Circle.
5) Three Trustees to be appointed by Government.
6) Two to be elected by the Mysore City Municipal Council

The Mysore City Municipal Council have elected Sri.B. Narayanaswamy and Sri.S Linganna as members to the Trust Board The Chairman has recommended the following three names for appointment as trustees of the Board -

a) Rajasenabhushana Lt Cl.Sirdar A V.Subramanyaraj Urs
b) Very Rev.Father Audiau
c) Sri D B.Visvambaraiah

The file was submitted for orders to the Minister for Finance and Industries on 11th April 1949 seeking orders on items 1, 4, & 5 referred to above He was pleased to minute as follows:-

The first point for orders is about the appointment of the Chairman, who shall hold office during the pleasure of Government and the second is regarding the nomination of the members of the Board

So long as there was an official President holding office during the pleasure of Government the same person being the Chairman of the Trust Board did not present any problem Now the Presidentship has become an elected of

as long as there and that annually beginning with the calendar year. The Trust Board has to be reconstituted for two years from 13th April when the official President made room for the non-official elected and Sri.P.Sitharamiah was elected President, he was appointed by Government by name and when he resigned during his term Sri.T.Venkataramaniah the then President was appointed until further orders. I consider that the work of the Trust Board is a thing requiring a certain amount of continuity of policy. Much of the funds i provided by Government by way of grants and advances. It would not be obviously conducive to efficient work if it is linked up to an annually elected office like that of Presidentship. There is enough work besides for President and the Chairman to absorb the undivided attention of each.

Two names suggest themselves to me Sri.P.Gopalakrishna Setty and Sri.M.Shankariah both being double graduates and Advocates and in public life for long and also members of the Municipal Council. But the latter is now a Government pleader and in that capacity has to handle the acquisition cases also. Sri.P.Gopalakrishna Setty has also been a member of the Trust Board. He has been serving on various co-operative and other institutions and known as a man of character and integrity. He is besides of congress persuasion and belongs to an important minority community in the City. He may be appointed trustee and Chairman of the Trust Board for the term of two years. His allowance will be Rs.150/.

As regards the 3 members to be appointed Lt.Co.Sirdar A.V.Subramanyaraj Urs and Sri.D.B.Viswambariah as suggested by the Chairman may be appointed and the third will be Janab Mohamad Sait. It is ascertained that there has been no Muslim for the last 12 years. Apart from that being a fairly large community in the City, the person himself has been a long standing member of the Municipal Council and has good experience the working of the Trust Board also.

Accepting the resolution of the Trust Board, I suggest that instead of the Director of Public Health, the Superintending Engineer, Roads abd Buildings ~~Division~~, Mysore Circle, may be appointed ex-officio trustee.

I had a discussion with the General Secretary on the subject.

The Minister has noted further on 14-4-1949 as follows -

" In continuation of my minute of yesterday re the appointment of the trustees and Chairman of Mysore City Improvement Trust Board. I wish to state that a perusal of the file connected with the appointment of Chairman last year on the termination of official Chairmanship shows that my Hon'ble Colleagues Sri.K T.Bhashyam and Sri H Siddaiya held the same xxx view as I do now and were definitely of opinion that the "elected President will not do. He comes and goes every year and there will be no continuity of policy xxxx An able experienced and progressive minded non-official would alone be the best". Agreeing with them I minuted on the same day 10-1-1948 as follows.-

"The elected President may be changing every year nor perhaps can he find time enough to attend the Trust Board work satisfactorily xxxx I feel that an able and experienced non-official can be appointed".

I suggested its being marked for the Council as then it was necessary to obtain the opinion whether it should be official or a non-official

The opinion of the Council was as follows -

"Mr.Palahalli Sitharamiah may be appointed Chairman of the City Improvement Trust Board, Mysore, till the Board is next constituted". It was not a case of appointing him till further orders

As regards the question whether the matter is for Council from all the previous records it is clear that it is not treated as a Council matter It is only at my suggestion at the time of the termination of the appointment of the official Chairman last year that it was considered by it

Council. It need not probably have been referred to the Council even then Now when it is decided that a non-official should be the Chairman there seems to be no necessity to treat it as a Council matter making this of all an exceptio This view is further reinforced by the fact that when Sri P Sitharamiah resigned his Chairmanship early this year his successor was appointed and notification issued accordingly without reference to the Council.

As the file is before the Hon'ble the Chief Minister and has to be disposed of without delay this may be sent to the Hon'ble the Chief Minister immediately"

The Chief Minister to whom the file was submitted was pleased to observe that -

"Notification re nomination of the members proposed may be issued immediately Regarding the Chairman the present Chairman Sri T Venkataramanaiah who has been appointed as Chairman "until further orders" may continue We may consider the proposal to appoint another as Chairman later in Council, if necessary."

On submission to the Minister for Finance and Industries for perusal of the orders of the Chief Minister, the following further minute was recorded by him -

"It is necessary that the notification should issue as regards both the matters, as it is one of reconstitution of the Board and it is not desirable to postpone the question of the appointment of the Chairman. I will have a discussion with the Chief Minister about this Meantime a list of the Presidents of District Boards and City Municipalities and Chairman of the Rural Development Boards may kindly be put up"

And in continuation he has minuted as follows:-

"I thought the reasons I gave earlier were enough to justify my choice of a Chairman I am at a loss to understand why the President of the Municipal Council should be prefer to the candidate I have proposed and what superior qua' tions he may have I do not wish to institute compariso

The two conditions necessary according to three Hon'ble Ministers - those for Law and Labour, for P. . and Agriculture and myself were -

(i) The Chairman should not be the President of the Municipal Council;

(ii) He must be an able and experienced non-official,

What is more, if the report of the Chairman City Improvement Trust as expressed in his letter of 10-12-1948 to the Hon'ble Chief Minister is correct - and there is no reason to disbelieve it, the Hon'ble Chief Minister himself has opined that the two offices should be separated. This is just what I have proposed

I should also refer to certain other matters which would make the choice even easier When the question of reconstitution of the Trust Board came up before me, I called for certain information and accordingly the General Secretary wrote to the Chairman Sri.T.Venkataramanaiah that he was desired to request him to intimate how long Harijans and Muslims were without representation on the Board This was a simple normal question to ask. He could have sent a straight answer to the question But instead he reminds the Government about the provisions of the City Improvement Trust Act which are obvious and adds his own commentary and sermon He says that under Section 4 of the Act Trustees are to be appointed by Government on the recommendation of the Chairman which is absurd, but the section never says that it must be on such a recommendation There used to be official Chairman formerly who would be consulted but that could never mean that Government were bound to accept them Then he makes a gratuitous remark that the selection of trustees is not made on any communal basis.

It is extremely regrettable that Sri T.Venkataramaniah has adopted such a tone and attitude and chosen to ignore the directions of Government to furnish information on the points sought This is a matter which may also make me a seperate notice

Besides the order passed on 21-1-1949 was to place the - President, Mysore City Municipal Council in additional charge of the duties of the Chairman though the Notification has followed the - phraseology in the Act.

I did not want to put all these things in writing when I minuted earlier among and only orally pointed out to the Hon'ble Chief Minister. I need hardly say that the affront is to the whole Government. This by itself ought to disqualify him for the responsible office we are trying to fill

Apart from all this I must say that I took an overall picture of such offices in the State before coming to a decision.

Merit undoubtedly is a consideration and judged from that, there could be no two opinions as to who is better equipped for the job. It must also be the concern of the Government that no section of the people feels that it is neglected because it is a minority.

I got the actual list of Presidents of the City Municipalities and District Boards and the Chairmen of the District Rural Development Boards. It is found that among the Presidents of the City Municipalities 2 are Vokkaligars and the third is a Lingayet. Among the Presidents of the District Boards, 4 are Vokkaligars, 2 Lingayets, 1 Brahmin, 1 Telagu Banajiga. Of the 10 Chairmen of the District Development Boards, 5 are Vokkaligars, 3 Lingayets, 1 Brahmin and 1 Adikarnataka If we add the Bangalore City Improvement Trust Board, there will be out of a total of 23 non-official heads 12 Vokkaligars 6 Lingayets 3 Brahmins 1 Telagu Banajiga and 1 Adikarnataka.

Sri.Gopalakrishna Setty will be the only Vaisya in an office of the kind. It is only fair and equitable that when he is otherwise fully qualified, he must be appointed.

I should add in the end that my selection made with a view to all these considerations should be allowed to go through. There has been of late any number of nominations made for various honorary posts without any changes and that this one of mine should receive a different treatment is naturally a thing which I cannot reconcile myself to.

As the question has been ordered to be disposed of by the ~~Dewan~~ Chief Minister and the Dewan at a meeting of the Council, the above note is submitted

Point for orders is as to who should be appointed as Chairman of the City Improvement Trust Board, Mysore, to be re-constituted and for what period under Sections 4 and 6 of the Act.

Subject:- Nomination of a Superintending Engineer as an Ex-officio Member of the Trust Board, Mysore

I have the honour to state that at the Meeting of the Board of Trustees for the Improvement of the City of Mysore held on 10th November 1948, Sri F C Devaraj Urs, one of the Trustees moved a resolution, recommending to Government that in view of a number of major and improvement Engineering Schemes being taken up by the Trust Board for execution every year, an Engineer of the Superintending Engineer's status be nominated as an Ex-officio Member of the Trust Board to benefit by his technical knowledge and advice The resolution was seconded by Sri H Niranjanaraj Urs, Fuzur Secretary to His Highness The Maharaja of Mysore and passed unanimously An extract from the Proceedings of the Meeting is herewith enclosed for favour of information of Government Section IV of the City of Mysore Improvement Act 1903, as amended by Act VIII of 1946 provides for the nomination of the Director of Public Health in Mysore, Bangalore or the Superintending Engineer, Mysore Circle, Mysore, as Government may determine, as a Member of the Trust Board

In this connection it may be stated that the Director of Public Health in Mysore as an Ex-officio Member of the Trust Board has got a state-wide jurisdiction and it is probably difficult to expect him to attend the Meetings regularly The Health Officer, City Municipal Council, Mysore, is also an Ex-officio member of the Trust Board, and as he will be well conversant with the local conditions, his views on matters affecting the health of the City will be easily available to the Board He is also in a position to attend the Board Meetings regularly There does not therefore appear to be such an indispensable necessity to have the Director of Public Health on the Board of Trustees who may perhaps be addressed on very important

p t o

matters when necessary These facts have been brought to the notice of Government on a previous occasion vide this Office Letter No B4 142 of 45-46 dated 16/4/45 in reply to Law Secretary's Letter No L 10209/1"1 193-44-2 dated 12/4/45

However the Board is undertaking important Improvement works which are mostly of an Engineering nature involving heavy annual outlay, but there is no member, on the Board, representing the Public Works Department The necessity for having a Senior P W D administrative Officer is apparent The Act also as already pointed out admits for the nomination of the Superintending Engineer as a Trustee of the Board

In these circumstances, I request that the resolution of the Board may be kindly considered favourably by Government while ordering the Re-constitution of the Trust Board, the term of which is due to expire on 12th April'46

Yours faithfully,

Dear Sir,

Sub - Re-constitution of the City Improvement Trust Board, Mysore

I write to state that orders of Government re Re-constitution of the City Improvement Trust Board, Mysore, have not been received till now though the term of the previous constitution of the Board expired on 12th April 1949 and proposals for re-constitution were sent up to Government by the undersigned well in time I may add in this connection that the monthly meeting of the Trust Board has been fixed for 27th April 1949 and that under Para 3 of the Business Manual, a list of subjects to be considered at the meeting will have to be sent to the Trustees seven days before the date of meeting But as the Trust Board is yet to be reconstituted, I am afraid it may not be possible to conduct the meeting this month Section 9 (2) a of the City of Mysore Improvement Act specifically lays down that an ordi-

ordinary meeting shall be held once at least every month In the absence of any such meeting the routine work of the Board will be handicaped and results in the work getting accumulated.

Under the above circumstances, the favour of immediate orders is requested.
